

August 12, 2020

Dear Park Road Families,

Summer is coming to a close, and we are preparing for the start of another new school year here at Park Road Montessori. I know that we are all adjusting to a new normal this year and everything is virtual. On behalf of our PTO, I would like to welcome you back and to extend a warm virtual welcome to all the new families joining our community!

A new school year is an opportunity for both our new and returning families to get involved in our extraordinary school community and this year is no different. Park Road is fortunate to have such a talented staff, whose dedication to Montessori principles results in a spectacular educational experience for our children. We also count on the support of parents, loved ones, and community friends committed to supporting the school through the PTO.

By volunteering their time and resources, our PTO members bring life to projects that provide rich cultural experiences, take good care of our staff, and plan social experiences for students and families, even in this all virtual time period. I invite you to join us in making this another successful year. Volunteer for an hour, a day, an event, or all year; your time and dedication make the difference!

As a parent or guardian of a PRM student, you are already a member of the PTO. Become a voting member by paying just \$5 per family. Please join online at www.parkroadmontessori.com. If you are not already receiving the ebulletin you can also stay connected to school news by signing up for the weekly newsletter, where we share school happenings and volunteer opportunities.

Our PTO Board looks forward to serving with you this school year. Please join the monthly PTO meetings on Wednesday mornings (check out the calendar on the website for dates and zoom links).

Have a great start back to school!

Anuja Ratnayake
